

Private Island Camping

with Madagascar
Classic Collection

Madagascar Classic collection is now offering an exciting island getaway at Manafiafy Beach and Rainforest Lodge. Our boat will take you to a private island less than a mile out from the Saint Luce peninsula where you will enjoy unspoilt beaches and sleep under the stars in your very own tree tent. Our "tree tents" offer an incredible new way for you to experience the great outdoors in style.

- A sumptuous meal will be prepared by your personal chef and served on the beach.
- This is an ideal activity for honeymooners and adventurers alike; whether you are looking for romance or the thrill of having a tropical island all to yourself.
- Our boat will take you to the island just 5 minutes from the Lodge in the late afternoon and collect you in the morning before breakfast. A guide will stay overnight on the island (but far enough away not to disturb you).
- The rate is **\$250 per person** including transport via boat, drinks, personal chef and gourmet beach dinner.
